## SRL Universal Holder Pat-Pending

Another SAS exclusive design, the No.1215 SRL-UH holder has 8 different connector positions and width adjustment that allow a wide range of SRL/SRD retractable lifelines to be attached. The SRL-UH can be bolt attached to several SAS anchor models or directly onto a top chord with our No.1220 SRL-RMH roof mount base plate. ABS skid plates provide 360° friction free rotation. Durable Hot Dip Galvanized steel construction.

360° Rotation
