

Harnesses

Pro-Series™

OVERVIEW

Our Pro-Series Full Body Harnesses are loaded with features for durability and comfort while still maintaining an economical cost. These harnesses are available in 6 different colors including Tan, Green, Olive Green, Silver, Red and Hi-Vis. They also feature quick release buckles for the leg and chest straps making putting on and removing a cinch.

The harnesses are available in small, medium, large and x-large sizes and can have our MAX Force™ Shock Absorbers factory attached. Comfort, Durability and Quality all built into one harness. All Pro-Series™ comply with OSHA, ANSI and CSA requirements.
