

# 12 Strand Lifelines - Deluxe™

## Deluxe Lifeline

The Deluxe Lifeline is constructed from 12 braided strands of poly-olefin rope. The braided lifelines offer the absolute best twist, water and UV resistance. It can be used with our Super Grab, Value Grab, Mechanical Grab or ADP Rope Grabs. Certain models include a 3,600-pound gate strength snap hook. All models include warning labels, inspection report, PVC termination and a English/French/Spanish instruction manual. Available in 30', 50' and custom lengths

## Compliance:
