

3 Strand Lifelines - Value™

Value Lifeline

This is your standard 3-strand safety lifeline that is common throughout the industry. The supple Poly-dacron material can be used with our Super Grab, Value Grab, Mechanical or ADP Rope Grabs. All models and lengths come with a 3,600 pound gate strength snap hook, warning labels, inspection report, PVC termination and an English/French/Spanish instruction manual. Available in 25', 50', 75' and 100' lengths.

Compliance:

OSHA 1926:502 ANSI Z359.1-07
