

# Deluxe™ Harnesses

## Deluxe™ Harness No. 6101

A Super Anchor Safety exclusive design that's one of our top sellers. The super comfortable Tri-Lam™ waterproof frame is designed especially to support All-Pakka tool bags and hammer holder or use your own. The Velcro lined waist belt is fitted with 2 side D-rings that can be stored in elastic keepers when not in use. And the harness comes with our durable heavy duty utility belt with stainless steel grommets and buckle. Quick connect chest and leg strap buckles are easy to use and excess webbing is stored out of your way with 3" length replaceable elastic webbing keepers. Light weight, durable and very comfortable. Domestic mfg. at our Monroe, WA USA factory and imported.
