

Deluxe™ Harnesses

Deluxe 3-D™ Harness No.6201

Specially designed for use where side D-rings are used frequently. The 3-D is fitted with heavy duty slotted D-rings and a reinforced waist belt made of extra thick 4" sling webbing. And the Tri-Lam padded frame makes this durable full body harness very comfortable to wear. Compatible with All-Pakka tool bags and hammer holder or use your own tool bags. Manufactured in our Monroe, WA USA factory. Another SAS exclusive design.

Tool Bag Features:

- Quick Connect Buckles
- Elastic Webbing Keepers
- Tri-Lam waterproof frame
- 100% Polyester
- Slotted Side D-rings
- Heavy Duty Utility Belt w/sst Buckle and Grommets
- English/Spanish manuals and labels
- Inspection label
- Compliance: OSHA 1926:502
CSA Z259.10 Class A/P
