

Full Body Harnesses

Super Anchor Safety offers a complete line of ANSI and CSA compliant full body harnesses designed to meet the needs of all types of construction work and personal rigging choices. We maintain a CSA certified test facility and full-service commercial sewing operation in our Monroe, WA, USA factory allowing us to manufacture from a variety of webbing colors, connector types and custom sizes with short lead times. CSA quarterly factory inspections and product quality batch testing are your assurance that our harnesses are mfg. to the highest standards.

Shown here Deluxe™ tool bag harness model No.6151 with Hi-Viz™ webbing, Maxima™ lifeline and Max-Force™ energy absorber.
