

Custom-Built Harnesses

Another SAS exclusive, custom-built harnesses made to your specifications. Choose from several of our standard harness models and webbing colors. We also offer Deluxe™ harnesses in custom sizes. Manufactured at our factory in Monroe, WA, USA. Each harness is professionally assembled and ready to ship with short lead times. From our website, download and fill out the worksheet for the harness model of your choice. E-mail or fax it to one of our SAS sales reps. and we will send you a quote.

Having trouble getting the perfect Deluxe™ harness fit? Let us build a harness that's just right for you.

Minimum height requirement for Deluxe™ small size

Custom Harness Logos

We will custom design your logo to fit our Deluxe™ harness or the back strap of other harness models. Contact a SAS sales rep for more information.
