

All-Pakka® Tool Bags

All-Pakka® tool bags are mfg. with a 3 layer laminated fabric providing a sturdy construction that reduces tool bag fatigue and prevents water penetration.

Quality Assurance

Purchase our tool bags and if you are not completely satisfied with the quality, return them to us unused for a full refund. We pay the return UPS shipping cost. SAS is confident that you will find our All-Pakka® tool bags to be of the highest quality and best design for your trade.
