

# Welcome To Super Anchor Safety

## Your No.1 Source for Fall Protection Anchors

Established in 1992, Super Anchor Safety is a leader in fall protection anchors for single person, window washing and horizontal lifeline systems. Our expert design and sales team work closely with architects, engineers and our dealer network to supply pre-engineered, custom and project specific anchors. Backed by an extensive inventory of finished goods and pre-manufactured components, our anchors ship with minimal lead times. Certified 3rd party testing and engineering are your assurance of compliance to current ANSI and CSA standards for design and performance.
