Soffit Sleeve

CRSS No.1602 soffit sleeve is designed for use with window washing tie-back anchors providing an abrasion resistant drop down portal for window washing lifelines. The low profile design is specified for installation thru cantilevered roof decks and overhangs. Contact SAS sales team for custom mfg. and lead time.

Compliance

Use with window washing anchors that comply with the following standards:
ANSI Z359.18-17
CSA Z259.15:12
OSHA 1926.502
